NORLINGTON SCHOOL AND 6th FORM

ASPIRING TO THE BEST UNIVERSITIES IN THE WORLD

The small community fosters deeper connections with peers, integrating relationships of like minded individuals.

The 6th Form Team is deeply committed to ensuring that sixth form students not only excel academically but also engage in enriching extracurricular activities. The sixth form offers a range of enrichment opportunities, helping us to develop new skills, broaden our experiences, and prepare for life beyond school.

Norlington equips students with the skills and knowledge necessary to thrive beyond the academic realm.

My sixth form provides a fantastic educational environment, with committed teachers, an appealing range of courses and excellent support services that help students achieve their goals. The vibrant community encourages collaboration, creativity, and personal growth, making it an excellent environment for learning and development.
